2022-MAR-25 17:00 Post-479 Uvalde,Tx 21st Dist Spring Convention

To all Legionnaires:

I look forward to seeing you at the 21st District Convention on March 25,26, 2022 in Uvalde. We need a better turnout than we had in Oct 2021. Please come and be a part of our info sharing and planning sessions so we can move the District forward. We all need to also contact our post members to see how they are doing and any needs they may have. Get in touch with the members and renew as many as you can. We are below our percentage at this time and now is a good time to push for more members before the Department convention. Join with me and the other District Officers to make us the best District in the Department of Texas.

Get involved, or if already, maybe more involved in the community and let them help you with programs you want or need to get more involved in. Remember everything is driven from "The Four Pillars". If we are working them, we are improving our posts and communities. Thank you to all our veterans and their families. Keep the Legion Family working together to help invigorate the post.

As always, we will be reaching out to more posts shortly and if you have any concerns, needs, please get in touch with me or one of the other District Officers.

For GOD and Country:
George McHorse Jr. | 21st District Commander
