Nominations to the Program

The American Legion believes our American government can survive only with an educated populace. By teaching youth to understand and appreciate our democratic republic, America can remain strong and ensure our freedom for future generations.

High school officials (administrators, faculty members, coaches, fine arts teachers, and/or counselors) may nominate qualified students meeting the eligibility requirements and selection criteria.

Program Registration

Registration for the program is conducted in coordination with local American Legion Posts. Candidates should enter their complete information online, print their application form, obtain appropriate signatures and submit their application to the designated American Legion Post. Please see the Apply section at www.texasboysstate.com for further information.

Selection of Citizens

In the actual selection of Boys State citizens, merit and ability alone are the basis for selection. Boys State is not a program for underprivileged boys nor is it a summer camp for recreation. American Legion Posts or other community-minded organizations often pay fees, or "tuition," with little to no expense to the young men.

We wish to secure equal delegate representation from all areas of the State of Texas. Therefore, the Department Boys State Committee asks for one or more boy(s) from each accredited high school (public or private) to be nominated by the school to attend.

Objectives of Boys State

A program of this scope encompasses many important objectives. The American Legion feels the following are the most important:

- To develop civic leadership and pride in American citizenship. The American Legion hopes that each young man attending Boys State will return to his community a better citizen and display his willingness to make greater civic contributions.
- To develop a keen interest in government.
- To develop in the young citizens of Boys State a full understanding of our American traditions and belief in the United States of America. The American Legion Boys State teaches citizens the glorious traditions of this country!
- To develop in the young citizens a determination to maintain our form of government

The final two objectives come from the Preamble to the Constitution of The American Legion:

- "To inculcate a sense of individual obligation to the community, state and nation"
- "To safeguard and transmit to posterity the principles of justice, freedom and democracy"

Is there a marching band?

Yes! Though we have a limited amount of musical instruments available to borrow, we always prefer that you bring your own (even large ones like drums and tubas as well as a portable music stand) we will keep them under lock and key when not in use. Percussionists should also bring their own sticks and specialized equipment.

Is there a talent show?

On Thursday evening, we will have a Boys State Talent Show... and it is always amazing to see the talent that exists within this group! Bring your props, instruments, and other items that are needed to showcase your various talents... we will keep these under lock and key when not in use.

Can my parents/ family attend the sessions?

We highly encourage participation of friends and family on Friday for the College Fair and the Closing ceremonies.

Can I bring my cell phone or other electronic devices?

In a word – yes; however, there will be times where we do not allow usage (such as during Flag lowering, visiting dignitaries, plenary session speakers, etc.).

I will need to “come and go” from the program due to other priorities – is that allowed?

Boys State is a fast-paced program that requires your full attention and complete involvement for the week. Any unique circumstances requiring time away from the program must be cleared with the Chairman in advance of the program.
