Dear Leaders of the 21st District;

Hope this memo finds everyone in good health. As you know, the corona-virus has disrupted pretty much everything including our Spring Convention. We are pursuing online meeting platforms and hope to have an alternative solution soon.

Until that time, we do have good news to share. Our district is at 104.04% of our membership goal! I have been told that this may be the first time ever, but a few folks think we may have hit it back in 2001 or 2002. Regardless, we simply want to say thanks for helping us reach this milestone. You are making a difference!

As you will see below, we have half of our 30 Posts at 100% or better, and another 8 who are at least 90%. This is truly OUTSTANDING! Our newest post, Boerne Post 313, leads the way with a whopping 304%. Their goal was 46. They beat the bushes and have 144 members as of today. The rest of our District membership stats follows:

Del Rio	298	162%		Harper	650	131%		NLake Brownwood	470	128%		Junction	237	126%
Kingsland	437	125%		Goldthwaite	289	125%		San Angelo	032	121%		San Angelo	572	119%
Brownwood	196	118%		Lampasas	277	118%		Brackettville	026	104%		Leakey	489	104%
Bandera	157	101%		Center Pt	583	100%		Uvalde	479	96%		Ballinger	008	96%
Fredericksburg	244	96%		Del Rio	595	92%		San Saba	027	92%		Priddy	487	90%
Menard	378	90%		Bangs	308	90%		Kerrville	208	90%		Lakehills	410	89%
Mason	285	81%		Eldorado	257	78%		Llano	370	77%		Ingram	013	68%
Lometa	116	66%												

Although not real important at this time, the membership year does not officially end until June 30th, so those of us who haven't hit 100% still have time. With this, please continue to encourage renewal and new membership as appropriate. Please watch for new guidance on Boys State and Legion Baseball via the website and our hubmaster very soon. Finally, please continue to conduct 'Buddy Checks', concentrate on our communities, and pray for those in need during these trying times. This too shall pass.
