More to follow as things unfold, but wanted to provide a quick update.

- 1) Virtual Boys State has been approved by the DEC. Details of the process and procedures will be coming out soon from the Department and we will let you know as soon as we do.
- 2) The Department convention in July may or may not occur. The DEC is to debate about it this coming week with a vote to take place on 29 Apr. Results of that vote will be published on 30 Apr and we will provide accordingly.
- 3) As previously mentioned, we are looking to conduct our 21st District Convention teleconference via the platform Zoom on 30 May to start at 1000. It will probably take 2-3 hours to conduct. An agenda and details will soon follow, but wanted to give you a heads up on an actual date.

As always, please feel free to contact me or anyone on the our team to discuss these or any other topics.

"For God & Country";
