### Select Enrollment Fees

#### Starting Jan. 1, 2021

Are you a Group A retired beneficiary? You're in Group A if your initial enlistment or appointment or that of your uniformed services sponsor began before Jan. 1, 2018. If you're a Group A retired beneficiary, you'll pay a monthly TRICARE Select enrollment fee to maintain your TRICARE Select coverage.

Only those family members enrolled in TRICARE Select (with a Group A retiree sponsor) pay the new enrollment fee. If enrollment is only for one family member, then they would pay the individual enrollment fee, not the family enrollment fee. For example, if one family member is enrolled in TRICARE Prime and another is enrolled in TRICARE Select, you'll pay the appropriate enrollment fees for both plans. Remember that you pay TRICARE Prime and TRICARE Select individual and family fees separately.

The new TRICARE Select enrollment fees for a Group A retired beneficiary are:

- For an individual plan, you'll pay \$12.50 per month or \$150 annually.
- For a family plan, you'll pay \$25.00 per month or \$300 annually.
- The catastrophic cap (<https://tricare.mil/Costs/Cost-Terms>) will increase from \$3,000 to \$3,500.
- Your TRICARE Select enrollment fees will apply towards your catastrophic cap.

Your enrollment fee will be waived if you're:

- An active duty family member
- A medically retired retiree or family member
- A survivor of an active duty sponsor or medically retired retiree

## What Do I Need to Do?

Take action today to set up a monthly payment plan.

If you:

- Get your retirement or other pay from a military pay center, then you'll pay your TRICARE Select fees via a monthly allotment, where feasible.
- Don't get your retired pay through a military pay center, then you'll pay your fees by a recurring credit or debit card transaction. You can also pay your monthly fees through electronic funds transfer (EFT). Your EFT must be from a U.S. bank.
- Are an unremarried former spouse, you won't be able to pay by allotment. You'll pay your fees by a recurring credit or debit card transaction. You can also pay your monthly fees through electronic funds transfer (EFT). Your EFT must be from a U.S. bank.

## How Do I Set Up My Monthly Fee Payment?

Call your regional contractor by Nov. 20 to set up your automatic payments starting in January 2021. If you wait until after Nov. 20, you may have to pay for one or more months up front if you don't want a break in coverage.

## What Happens If I Don't Take Action?

If you fail to pay your enrollment fees by Dec. 31, 2020, you'll be disenrolled from TRICARE Select. You'll have 180 days from your last paid through date to request reinstatement. You're also responsible for past enrollment fees. You must contact your regional contractor to request reinstatement.

If you don't take action, you'll only be able to get care from a military hospital or clinic if space is available.
